

SNUGGLEBUM

Once upon a time, in a land far away, a baby named Isabella was asleep. It was a night like any other and baby Isabella was in her cot dreaming; dreaming of sleepwear that wasn't itchy, didn't twist or ride up. Sleepwear made of soft, high quality, 100 percent cotton, a snug fit with

the perfect length in the body, arms and pant to allow for easy movement, and most of all something that would keep little Isabella warm in winter and cool in summer ... Luckily for Isabella her wish came true. With exquisite detailing and charming prints, Snugglebun is the happy

ending to the sleepwear story. Goodnight and sweet dreams!
